Vol. 1, No. 3:

June 1, 1970

Here we are again - a bit late - but better late than never - though one member suggested this is how we seem to be - always starting something and letting it fade away. Do hope not too many of you think this. For those eagerly awaiting the next issue of the Journal - it will be out next week too. By the way, we have not had any ideas for the front cover as requested in the last Newsletter. Surely we have some artistic members who would like to see their handiwork on the cover of the Journal!!

We are pleased to welcome two new members to the Executive Committee - Mrs. Margaret Markwell and Mr. Vincent Parker. Mr. Edgar Kable has been appointed a Vice-President to replace Mr. Stanley Harrison Powell who has resigned owing to pressure of work.

The bus tour had to be cancelled owing to lack of support. Refunds will be made to those concerned. In future we shall make these tours by car. The Argyle Celebrations went with a swing. Some of our youngies even had their pictures in the Woman's Day. It was glorious weather and we had a successful stall, making a profit of \$44. The Marionette Theatre was also well attended though not as popular as we had thought it would be. Those children (and adults) present thoroughly enjoyed it and we made a profit of \$5.

It has been suggested that we hold our Annual General Meeting (about September) on a Sunday morning at a motel rather than in a dreary hall at night. What do you think?

We welcomed the Queensland President, Mr. Ingham-Myers, and one of his executive members, Mrs. Collier, at our Fleet meeting on 21st April. It was grand having some personal contact with Queensland and everyone is invited to reciprocate when they head up to the "Sunny State".

You will be pleased to know that the Fellowship was represented in the persons of Mr. & Mrs. Everingham at the Kurnell Re-enactment and Fireworks Display; Mr. E. also attended a memorial service at the old Presbyterian Church at Ebenezer.

Are there members who have a tale to tell? The Editorial Committee would like to hear from you if you would like to write articles suitable for insertion in the Journal. Something about your First Fleeter - your family history - something about your hobby. Anything you think others would like to read!!
