## NOMINAL ROLL

## *Foreword*

**“In the future days, which we seek to make secure, we look forward to a world founded upon four essential freedoms. The first is freedom of speech and expression – everywhere in the world. The second is freedom of every person to worship God in their own way – everywhere in the world. The third is freedom from want...the fourth is freedom from fear.”**

*Franklin D. Roosevelt 1882-1945.*

**Giuseppe Garibaldi, the great Italian leader of the nineteenth century, in a fiery speech urged some thousands of Italy’s young to fight for the freedom of their homeland. One timid young man asked him, “If I fight, Sir, what will be my reward?” Swift as a flash came the answer: “Wounds, scars, bruises, and perhaps death. But remember that through your bruises Italy will be free”.**

**We, here in Australia, take for granted, freedom of speech and worship as part of our accepted way of life; yet it could have turned out differently as far back as January 1788, when Capt. Arthur Phillip landed with the First Fleet just days before a French expeditionary force landed at Botany Bay.**

**Phillip brought with him the British justice system, beliefs of the Church of England, and loyalty to the British Monarch.**

**During the years leading up to Federation, Britain was dominant on the world’s oceans. When trouble was brewing in South Africa, the colonies were asked to send troops to assist and bring about peace. Not once but twice more was Australia to send troops to the other side of the world. Again still closer to home in Korea, Vietnam, Malaya, Kosovo, Bosnia, East Timor, Iraq and Afghanistan, we have sent troops.**

**Many lives have been lost by both sides of the conflicts; many injuries sustained, many minds shattered, many living wounded psychologically scarred. All this trauma and sacrifice in the name of ‘Freedom’!**

**We honour all those who have given service to our country, both past and present, both at home and overseas. WE WILL REMEMBER THEM.**

**In this Nominal Roll/ Honour Roll, we record those who have been made known to us through our members, as descendants of First Fleeters. There are obviously hundreds more who are unaware that their ancestry is within this grouping, but as information and knowledge increase we will continue to record their names, and update the Roll.**
